REGARDING EXTENSION OF TIME PERIOD FOR SUBMITTING  
NEW DRAWINGS

To the Commissioner for Patents:

In response to your office action dated July 11,  
2003, I would be highly gratified if you would give  
me more time (namely two months) since I am unable  
to prepare the sufficient and complete drawings  
for my prior drawings by September 10, 2003 set in  
your office action.

A check for U. S. \$190.00 for petition fee to extend  
a shortened time period is enclosed herewith.
